

Monday, 26 October 2009

Dear Parents,

The children's Activity Days, which will be from ***Tuesday, 1 December to Thursday, 3 December***, has now been costed. The price for the activities is **\$95**. This includes the following activities: Golf Driving Range, 10 Pin Bowling, Indoor Rock Climbing, Ice Skating and Wet 'N' Wild Theme Park. It also covers bus hire, equipment hire, and cost of instructors where applicable.

**Please Note:** A number of children have VIP or other passes which give them free entry to Wet 'N' Wild and will still be valid at the time of the trips. Please let your child's teacher know that they have a pass which will need to be presented on the day. The cost of the excursion for children with passes will be \$82

As \$95 is a considerable expense for families, payment can be made to the school either as a lump sum or in smaller instalments. Final payment will be due on **Friday, 27 November**.

In the week before activity week, a full itinerary sheet detailing venues and contacts etc will be sent home. This will provide you with information regarding what the children should wear, what they need to bring as well as where your child will be each day and contact phone numbers for each activity venue.

As in previous years, Rocksports requires the attached permission slip to be completed. Could you please sign this form and return it to your child's teacher this week?

Yours sincerely,

J Barnes
